Newsletter 4– Friday 27th September 2024

Autumn is coming!

The weather has certainly been Autumnal this week and the children have been inspired to produce some beautiful art work for our hall displays relating to the changing season.

Reception children printed their hands and used a pencil to add veins to their 'leaf.' They have also thought carefully about what happens in the Autumn.

Year One also created a leaf display. They have used pastels, tissue paper, and printed with leaves to get the effects of their falling leaves.

Year Two used Autumnal colours to create a watercolour background for their individual pieces of art. They then used a fine pen to outline their tree and wax crayons for the leaves.

HELP NEEDED!

Do we have any gardening enthusiasts or book lovers amongst you?

We would love our garden and library to be used more but don't have the staff to do so. If you would be willing to help out with either of these please pop and have a chat with Mrs Burt. Thank you.

If you are ever having a clear out/spring clean at home please think of us. We can always make use of old pots and pans; cutlery, tins etc in our mud kitchens; artificial plants, fabrics, hats, bags, jewellery and old clothes in the home corners.

Thank you for your past donations of books but we have plenty for now and are unable to accept anymore.

PTFA News

We will be holding our AGM on **Wednesday 2nd October 2024 at 7pm**
in the school hall and everyone is invited!

Why not pop along and find out how we raised money for the children last year and our exciting plans for this year. New members are always welcome and that's mums, dad, grandparents, aunties, uncles and friends, anyone who would like to make a difference to our little school and help raise some funds. We look forward to seeing you all there next week.
