Meet our Student Council

Chair Person

Vice Chair

Treasurer

Secretary

Red Squirrels Class Reps

Otters Class Reps

Firstly, can I just say a huge thank you and well done to all the Year 2 children who completed posters and stood for the various roles on the Student Council this year. You are all amazing and I know the voting process was very close between everyone.

Congratulations go to the children pictured above who were successful in becoming our student council members and I am looking forward to working closely with you all and hearing all your ideas about how to make our school an even better place than it already is.

We will have weekly meetings and there will be a section of the newsletter each week written by the council to inform you all of their ideas. We look forward to Owls and Hedgehogs class representatives joining us after half term and Reception will hopefully join us later on in the year.

Parents Evening Appointments

These will take place during the afternoon/evenings of Tuesday 15th October and Thursday 17th October. To book an appointment with your child's class teacher pop into the office from next Monday 7th October and sign yourself up for a 10 minute session. If you are unable to come into school and sign up feel free to phone the office at any time and they will make the appointment for you. We look forward to seeing you all there

HELLO YELLOW DAY!

Thursday 10th October 2024 is World Mental Health Day.

‘Right now, the world is a really tough place for children and young people to grow up in. We want young people to know that they don’t have to go through this alone. Things can get better.’ (Young Minds)

We would like everyone to wear something yellow on this day to show that we, ‘stand brighter together.’ This can be clothing (trousers/top) but could also be a pair of socks, a hat or even a ribbon in your hair.

At SWIS we talk a lot about our emotions and feelings using books such as The Colour Monster, and since September we have been practising breathing and relaxation techniques in our classes. This is something we will continue to work on to support your child’s mental health in school.

PTFA

A successful meeting of the PTFA was held on Wednesday 2nd October and lots of exciting ideas were discussed for forthcoming events in school. If you would still like to join this bunch of friendly people you will be made very welcome at any time and with the BIG plans they have for Christmas they are going to be needing lots of helpers!

The next meeting is **Wednesday 13th November @7pm** and if you would like to be involved pop in and see Mrs Crosby in the school office.

[Norfolk & Waveney Autism/ADHD Support Service October 2024 Newsletter](#)

Regular readers of this newsletter will know that we focus each month on ideas for supporting your child or young person.

[Go to this Sway](#)

There will be a neurodevelopmental disorder* family workshop, hosted by the SACT (Schools and Community Team) open to parents/carers from both schools. Your child does NOT need to have a formal diagnosis for you to attend.

Further information will be shared nearer the time, but it will be held: 3.30pm – 5pm on the 9th October 2024.

**Such as Autism Spectrum Disorder (ASD) and/or Attention Deficit Hyperactivity Disorder (ADHD).*

Thanks, Mrs Watermelon! SENCO
