Year Two visit to Explore Science Amusement Lab

Year Two had the most fantastic day exploring and investigating at the science museum. They were served digestive biscuits by a robot, tried out VR rides, made huge bubbles, saw some amazing fossils, discovered what happens in a tornado and volcano, looked at space through a telescope and so much more. They didn't want to come home and wished that they could have stayed longer. We are glad you all had a lovely day!

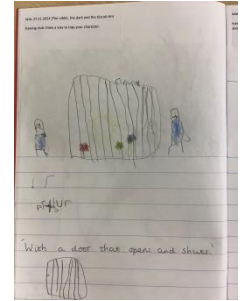

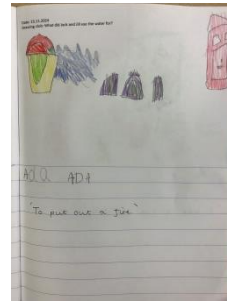

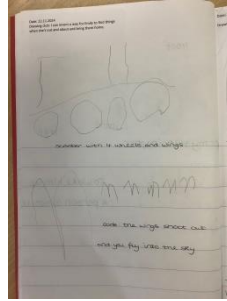

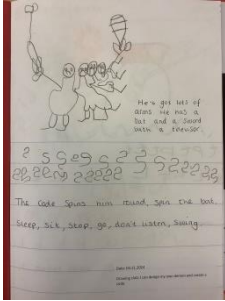

Year One – The Great Fire of London

We have been seeing many, many wonderful house creations being brought into school this week as part of Year One's home learning and their curriculum coverage of the Great Fire of London. The children have been very keen to talk about their house – how and who they made it with. I have also been impressed by their knowledge of this significant event through the work they have completed in class and the tour of London they took us on to see their lovely models. Brilliant work Year One!

Reception – Drawing Club

A few weeks ago Reception started something new called Drawing Club where the children are exploring the world of stories through drawing, talking and using their imagination. So far they have looked at the stories of Rama and Sita and The rabbit, the Dark and the Biscuit Tin; the nursery rhyme Jack and Jill and the cartoon Bagpuss. The children have been so excited to draw their pictures and can't wait to get to 'club.' Here are some examples of the work they are producing.

PTFA

Last Friday's Bingo evening was a great success and it was lovely to see the hall buzzing with so many children and adults taking part. Big thanks to Richard for his Bingo calling and fascinating number facts.

This week we have had some PTFA helpers in school assisting the children with their Christmas Crafts. These will be available for parents to purchase at next Friday's Christmas Fayre.

The dress down day saw lots of prizes and gifts arrive for some of our other fayre stalls, but if you happen to find anything else at home that you would like to donate all will be gratefully received.

We look forward to seeing you all in the festive spirit next Friday!

Autumn Reading Challenge

Please can you remember to hand in your Autumn Reading Challenge to your class teacher next week. It has been great to see all the photographs of everyone completing their challenges this half term and Mrs Chimes will be presenting a prize to one child from each year group who completed the challenge, in next Friday's assembly. Everyone who took part will also receive a reading certificate.

Golden Learners

Well done to everyone for their hard work this week and special congratulations to our Golden Learners. Keep up the good work everyone!

Goodbye

Today we are saying goodbye to one of our pupils. It has been lovely to share the first part of your school journey with you and we wish you lots of luck with your next chapter. Hopefully you will be able to pop in and see us sometime.

Good bye and best wishes to you and your family.
