

## English

- Beegu -setting description
- Astro-girl - Fact file about being an astronaut

## Computing

- Online Safety and Exploring Purple Mash

## PE - Dance

We are learning to perform dances using simple movement patterns in the context of our topic. We are able to work individually and with a partner.

## PE - Ball skills

Dribble a ball with 2 hands on the move.

Throw and roll towards a target with some varying techniques.

Catch an object passed to them, with and without a bounce.

## Music

Holst - The planets

## RE

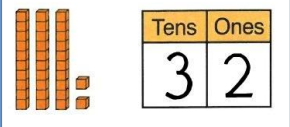

- How did the universe come to be?

## Design and Technology

To make a picture of a space rocket moving through space using a simple slider or lever mechanism.

## Maths

We have begun looking at the place value of numbers to 20 and being able to add and subtract within 20.

## PSHE

- Dreams & goals

## Science

We will be able to name the planets in the Solar System and will be looking at how the Seasons change on Earth. Just like astronauts we will use simple equipment to make observations and carry out simple tests like growing our own crystals.

## YEAR ONE SPRING TERM 1

## Geography

- Our planet and our world.

## History

We are learning about the past and using the words and phrases old, new and a long time ago. We are asking lots of questions about old and new objects and learning about space travel over time. We will be able to talk about the life of Neil Armstrong and explain why he is famous.
